Royal Charlotte Now 2 for 2 with Allowance Win at Keeneland

Another start, another win! Former Endeavor Farm resident Royal Charlotte is now undefeated in two starts after breaking her maiden at Gulfstream in March and following that up with an allowance score at Keeneland on April 19th. The gray three-year-old filly crossed the wire first in a gutsy effort by holding off a very game competitor in Bingwa with whom she battled it out down the stretch, edging her out by a neck. She is yet another impressive performer from the first crop of Cairo Prince who is off to another great start in 2019. Bred by Rhineshire farm, Royal Charlotte is the first foal out of the Harlan's Holiday mare Sass and Class. She has now earned \$74,400 in her brief career for her owner First Row Partners. Continue to keep up the great work!

No Cents Left Breaks Maiden by 5 Lengths at Indiana Grand Race Course

Third time's a charm! That's how many starts it took for No Cents Left to break through for the first of

hopefully many victories in his racing career. After making a couple of ho-hum starts earlier this year at Tampa Bay (which can be a peculiar racetrack that some horses never take well to), his first start at Indiana Grand was a smashing success. He seemed like a totally different horse than the one we saw down in Florida, pulling away from the field to win by five and making it look easy in the process. Maybe a change in scenery was all he needed! No Cents Left (by Goldcents) was foaled and raised at Endeavor Farm and is out of longtime resident Penrose (by Lemon Drop Kid). He is pictured above as a foal in 2016. Congratulations to Cypress Bend Farm for breeding yet another winner!
