## Zapit Records First Career Win in the Oklahoma Classics Lassie at 94/1 Odds

What a way to break a maiden! Not only did Zapit (Itsmyluckyday – Zuni Women, by Bob and John) get her first win in her second career start, she did so in a \$100,000 black type stakes race... all while returning \$190.40 on a \$2 to win bet! After running a mediocre fourth in her only previous start two weeks prior, the bay filly didn't let the betting public's lack of faith in her stop her from cruising home to a decisive 4 ½ length victory at Remington Park on October 16<sup>th</sup>. She stopped the clock at 1:12.18 in the six-furlong contest for two-year-old fillies. Zapit was bred in Oklahoma by Tim Harris' Circle Bar H. She is a homebred for Tim and races under his Big Sugar Racing banner. Her dam, Zuni Women, resided at Endeavor Farm during the breeding season of 2016 when she was bred to Itsmyluckyday. We couldn't be happier for Tim, who has boarded mares here seasonally for many years as part of his regional breeding program. Nobody deserves this victory more than he! Also, a great job by trainer Tim Martin who

obviously saw something special in this filly during her debut to have the confidence to run her in a stake next time out. And a huge congrats to anybody who wagered any money on this filly, because you can safely retire now!

## Gutsy Maiden Win for Morning Molly at Laurel

In just her second career start, Morning Molly (Morning Line – Honor Your Gift, by Sightseeing) performed like a horse that has been doing this for a long time! The bay filly broke alertly and instantly took the lead, but was content to let her opponent take over temporarily and set the pace while sitting just off the lead. When it came time to go, Morning Molly engaged in a stretch duel with the heavy favorite that she was determined to win. A great driving effort at the finish was good for a neck margin of victory over the sloppy track. Morning Molly was foaled and raised at Endeavor Farm and is a homebred for John Kuehl's Willow Lane Stables. Congrats to John, who is a longtime friend and client of the farm, as well as to trainer Tom Proctor and jockey Feargal Lynch. We hope this is the first of many, many victories for this beautiful young filly! Great job by all and best of luck moving forward.
