Check Out These Yearling Colts Being Prepped for the September Sales

These hot summer months bring along with them the very demanding but rewarding task of preparing yearlings for the fall sales. We will soon be saying goodbye to the two colts that are in prep for the Saratoga New York Bred yearling sale which takes place August 12-13. That will leave four colts being prepped for the September yearling sales, one of which is headed for the inaugural Turf Showcase sale on September 10 at Fasig-Tipton (Data Link – Sky Fraulein), the other three will go to the Keeneland September sale (Sep. 11-23). Check back next month for a look at the fillies in sale prep!

Arch of Troy Digs Deep to Run an Impressive Third

Endeavor Farm bred, raised, and owned Arch of Troy (ArchArchArch – American Flier, by Quiet American) ran very well in her second career start in maiden special weight company at Los Alamitos. The bay filly made a move three wide from near the back of the pack to come zooming down the stretch to run third, just missing getting up for the place. Great job by farm partner and trainer Mark Tsagalakis to have her primed and ready to go. Arch of Troy is the first horse to race for the silks of Endeavor Farm. Look for her to make her next potential start toward the middle of this month at Del Mar, possibly on the turf!

Tiz Deliteful Proves Best at Del Mar

Photo: OBS Sales

A move to the coast seemed to be just what Tiz Deliteful (Tiz Wonderful – Feline Delite, by Mineshaft) needed, who made short work of her competition by winning the second race at Del Mar on July 29th. After breaking her maiden in her second start last fall at Golden Gate Fields, Tiz Deliteful continued racing at Golden Gate until making a couple of mediocre starts at Santa Anita this summer, a track that she didn't seem to take to very well. Once Del Mar opened, the bay filly was San Diego bound and she seems to have fit in well with the beach crowd. She took her first start there in easy fashion, catching the favorite while coming down the lane to blow by for a 1 $\frac{3}{4}$ length victory. The win brings her total career earnings to \$52,590 in 11 lifetime starts. Tiz Deliteful was foaled and raised at Endeavor Farm, where she resided until leaving to head down south as a yearling to be prepped for the 2015 Ocala Breeders' Sales August Yearling Sale, where she brought \$25,000. Hats off to this filly's breeder, Jan Adkinson, as well as her other connections, who changed the moment she crossed the wire as she was claimed! Best of luck.

Freshman Sire Liaison Gets another Winner via Allotment

Former Endeavor Farm resident Allotment (Liaison – Lady Giacamo, by Giacamo) broke her maiden at Hastings Racecourse on July 22nd to give first crop sire Liaison his fourth winner to date. The two year old filly won the six furlong maiden special weight event by 2 $\frac{3}{4}$ lengths in her third career start. The victory was good for \$11,843 for her owner, Peter Redekop B. C., Ltd. Allotment was bred in New York by JRita Young Thoroughbreds and shipped to Endeavor Farm shortly after foaling, which is where she resided until she was prepped and sent off to the 2016 Keeneland September Yearling Sale. Congratulations to JR & Rita Young for breeding yet another winner out of Lady Giacamo. All three of her foals of racing age are now winners. Watch for her yearling colt by Cross Traffic go through the auction ring this month at the NY-bred Saratoga sale (Hip #330).
