Third Time's a Charm for Trinity in Maiden Breaking Effort at Laurel Park

Endeavor Farm-bred Trinity (Happy Saver - More for Me, by More Than Ready) got her first career victory in a maiden special weight race at Laurel Park on September 19th. After a couple of fifth place efforts at Colonial Downs in her first two starts, her third start featured a two-year-old filly who came in to Maryland fit and focused. She broke mid-pack and stalked just off the pace until they reached the top of the stretch where she came out four wide and drove clear. We wish Trinity and her team all the best moving forward.

Berlinwin Wires the Field at Parx to Win by 16 Lengths

Berlinwin (Practical Joke - Aunt Sally, by Uncle Mo) absolutely embarrassed her competition in route to getting her first career win at Parx Racing on September 9th. The chestnut filly lived up to her even-money odds as the heavy favorite, never leaving any doubt as she turned her eight-length lead at the top of the stretch into a 16 ½ length romp under a hand ride by Mychel Sanchez. Robert Mosco trains Berlinwin for owner Jack Armstrong. She was foaled and raised at Endeavor Farm. Hopefully this is the first win of many! Congrats to all of her connections.

Viv's Wild Aces Much the Best in Allowance Company at Evangeline

Farm favorite Viv's Wild Aces (Hard Aces - I'm Wild, by Precocity) has found her way back to the winner's circle once again. The tough-as-nails five-year-old mare was back to her signature dominating fashion in an allowance race at Evangeline Downs on September 5th. She broke sharply and went to the front, surrendering her lead for a brief moment on the backstretch before regaining it for good, rolling home wrapped up for an easy three length score. This marks Viv's second win of her comeback tour after a lengthy stint off at the farm while recovering from an injury. Looking good again!
