Georgia's Reward Victorious in Stakes Debut at Oaklawn Park

Way to go Georgia's Reward! The former Endeavor Farm resident put forth a very game effort to come away with a win in the first black type race of her career in the Rainbow Miss Stakes on March 31st. Georgia's Reward stalked the pace and sat just off the leaders until she made her bid at the eighth pole and drew away to win by a clear margin of 1 ¾ lengths. The gray filly by Warrior's Reward is now 2-0-1 in her four career starts with total earnings of over \$115,000. We couldn't be happier for longtime clients and friends of the farm J R and Rita Young, the owners of this very talented young filly. A great job by trainer Ron Moquett, as well as jockey David Cohen who picked up the first Oaklawn stakes win of his career. Can't wait to see what else she has in store!

Secret Causeway Breaks Maiden at Golden Gate

We were all glad to see a familiar face pick up her first win at Golden Gate on March 11th. Secret Causeway (Giant's Causeway – Shesa Private I, by Unaccounted For) broke her maiden in her third career start by a 2 ¾ length margin. The chestnut filly broke well, took the lead going into the final turn, and pulled clear under steady urging by jockey Juan Hernandez. This was her first start in Northern California for trainer Steve Sherman, after making her first two starts at Del Mar then Santa Anita. Secret Causeway was bred by Endeavor Farm and was foaled and raised here before being sold privately as a yearling. The three-year-old seems to have really found herself after this last effort, let's hope she can keep up the good turn of foot and continue her winning ways! The competition in California is always tough, which makes her victory that much more meaningful and gives lots of hope for her future. Congrats to her owner, R L Stables.
