Rather Nosy Goes Gate to Wire at Santa Anita

Hats off to the connections of Rather Nosy, last seen embarrassing her competition in a starter allowance race at Santa Anita on June 16th. The daughter of Majesticperfection had been knocking at the door in her last few starts with two places and a show since breaking her maiden in January. Congratulations to farm clients Paymaster Racing and Slugo Racing, who own this filly in partnership with Sinister Racing Stable. A job well done by trainer Jack Carava and jockey Flavien Prat. Hope to see you all in the winner's circle again real soon! Good luck.

Archidust Rallies Late for Impressive Allowance Win at Monmouth Park

Archidust at 1 day old

A trip to the Mid-Atlantic has proven to be fruitful for Archidust, a recent winner in allowance company. After running a good second coming off a long layoff in May at Delaware Park, the chestnut colt by Verrazano was ready to roll when he took on the field at Monmouth Park on June 22nd. When Archidust made his move up the inside with a furlong to go, the leader and heavy favorite drifted inward to pinch him on the rail. No worries! Archidust swung out to reroute and shifted into another gear, catching his rival at the wire to win by a head. A very gutsy effort which was good for \$27,000, bringing this young horse's career earnings to \$62,800, with two wins, a place, and a show from six starts. Archidust was foaled at Endeavor Farm and is out of longtime seasonal resident Chilling Effect. A big congratulations to his breeder, Dr. Bart Barber's Wolverton Mountain Farm!
