Sleepingonfreedom Runs Big for Dream Big at Keeneland

After running a game second on debut at Churchill Downs, Sleepingonfreedom (Independence Hall - Siesta, by Tiznow) came into his second career start as the odds-on favorite at Keeneland on October 11th. The dark bay colt did not disappoint, coming home victorious in a thriller which saw him relinquish an early lead on the backstretch, only to regain it by a neck at the wire after a gutsy stretch battle. Congratulations to John Wade's Dream Big Racing on the big maiden special weight win. Sleepingonfreedom has already banked over \$67,000 during his brief two-start career. Jockey Jose Ortiz was great in the irons with a perfectly timed ride aboard the two-year-old colt. We are excited to see how Sleepingonfreedom progresses as he closes out the year for trainer Kenny McPeck.

Easy Win Going Away for Liam's Mist in Allowance Company

Clyde Taylor's South Central Stables is back in the winner's circle again with another homebred. Liam's Mist (Liam's Map - Misty Run, by Vindication) picked up the first allowance score of her career with a convincing four-length win at Delta Downs on October 15th. This three-year-old filly seemed to really flip a switch with this effort, earning a best ever 89 Equibase speed figure. The win was good for \$27,000, bringing her total lifetime earnings into the six-figure range. Great job on another big win from the barn of conditioner Keith Bourgeois. Liam's Mist is the seventh winner from eight foals of racing age for her dam, Misty Run, making her a half-sister to Grade 3 winner Dunkin Bend, as well as stakes-placed Misty Day. The family keeps getting better!
