Four Generations of Direct Maternal Descendants Currently in Residence

Flew By Em

American Flier

The birth of Honor Your Gift's filly on March 3rd marked a special occasion here at the farm, as we now have four consecutive female generations living here simultaneously. The bay filly by Morning Line is the first foal for Honor Your Gift and she has transitioned into motherhood beautifully. Honor Your Gift's dam, American Flier, is currently in foal to Power Broker and is due to foal any day now. American Flier is out of Flew By Em, a mare that has been retired for many years who enjoys eating grass and being difficult to catch. This is a rich, deep family whose offspring have performed well both on the racetrack as well as in the sales ring. Congratulations to John Kuehl's Willow Lane Stables for breeding this classy filly and continuing this near and dear family yet another generation.

Update: American Flier delivered a filly the night of March 29th, and we couldn't be more thrilled to continue expanding this very special female family!!!

Colt Prepped at Endeavor as a Yearling Sells as 2-yr-old for \$1M

A Pioneer of the Nile colt that sold for a cool \$1,000,000 at the Fasig-Tipton Florida 2-year-olds in training sale on March 2nd is a former resident of Endeavor Farm. The dark bay or brown colt out of Faith In Me, by Mr. Greeley, lived here for about nine weeks while he was prepped for the 2015 Keeneland September yearling sale. He was consigned at that sale by Vinery Sales, agent for Rhineshire Farm (his breeder), and was purchased by Hartley/DeRenzo Thoroughbreds for \$230,000. The \$1 million 2-year-old purchase was signed for by Jaime McCalmont, agent for M.V. Magnier of the international powerhouse Coolmore. "He was as nice a colt as there is in the sale," said McCalmont, who went on to say that the colt will remain here in the United States. Look for him to make his first start soon!
