CJ
Thoroughbreds

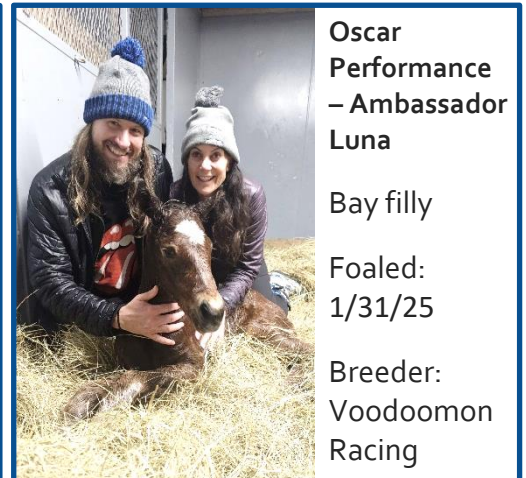

Tiz the Law – Kura

Bay filly

Foaled:
1/29/25

Breeder:
Laura
McKinney

Oscar Performance – Ambassador Luna

Bay filly

Foaled:
1/31/25

Breeder:
Voodoomon
Racing

Queen in the Deck Celebrates Birthday with Maiden Victory

2023 Fasig-Tipton October Yearling Sale

Endeavor Farm-bred Queen in the Deck (Cairo Prince – Clara Barton, by Union Rags) wasted no time getting her three-year-old season started in style, with a birthday win at Tampa Bay Downs on New Year's Day. The gray or roan filly was making her seventh start in maiden special weight company, having finished off the board only once during her two-year-old campaign. After stalking the pace wide from mid-pack, jockey Samuel Marin gave her the green light near the quarter-pole and the duo shook clear to stroll under the wire for an easy 5 ½ length score. She benefitted greatly from a well-timed ride and an admirable effort persevering for that elusive first win by owner/trainer Carlos Munoz. Hopefully it's the first of many! Congrats to everyone involved. Queen in the Deck is the third foal and the second winner out of Clara Barton, who is currently in foal to Street Sense and due to foal February 2025.

In the Winner's Circle at Tampa Bay Downs

Slugo Racing Dominates Santa Anita with a 4-Win January

Lita Way

January was a stellar time at Santa Anita for the stable of Slugo Racing. The first month of the New Year was brought in right with trips to the winner's circle with four different horses! Co-owned with Monarch Racing, Lita Way led the way with a maiden special weight victory on January 1st. Next up was Sharp Ride, a nearly four-length winner for Slugo Racing and Harris Farms on January 17th. A week later on January 23rd, Slugo knocked down two more scores on the same day! Malibu Rocks broke his maiden impressively in Race 3 and Nene Diamond followed that up with a gate-to-wire allowance win in Race 8. Great work by all the connections, including Mike Puype who conditions three of the four winners. What a great way to get the ball rolling early in 2025!
