## U S Officer Adds another Stakes Win to Résumé

Photo: CTBA

Endeavor Farm foaled U S Officer added another tally to the stakes win column with a 1 ¼ length victory in the Ragin Cajun Stakes at Evangeline Downs on April 15<sup>th</sup>. The 3-year-old U S Ranger colt out of Lacey Officer was making his first start since running in the Risen Star at Fair Grounds back in February. The victory added \$30,000 to his bankroll, bringing his total lifetime earnings to \$166,565. That makes 4 wins in 9 career starts against some very tough company, with 2 of his losses coming to the likes of major Kentucky Derby contenders Girvin and Classic Empire (no shame there!). U S Officer is co-owned by his breeder, Jerry Durant, as well as Bill Jordan. Hats off to his connections, which include trainer Danny Pish and jockey Diego Saenz. Here's to hoping this colt can maintain his impressive form and we wish him and his connections all the best in the future.
