Therearenorules Dazzles in Maiden Breaking Victory at Gulfstream

The Kentucky Derby proved to be a very exciting race this year, but it was nothing compared to the thrill of a maiden special weight race at Gulfstream Park the

following day. That's where Therearenorules did what she has done every race; improve upon her last effort and give it her all. This time it was good enough for first place, as the heavily favored daughter of Declaration of War made easy work of her competition with a decisive 1 ½ length score going away. If this article comes across as a little biased, that's because it is! Laura and I own a minority interest in this amazing filly and I think she is the most beautiful, most talented, and most intelligent horse I have ever been around.

We are ever so thankful that John Kuehl and Endeavor Farm have allowed us to be a part of this incredibly exciting venture.

Jockey Emisael Jaramillo gave her a great trip and trainer Tom Proctor has had this filly acting nothing but professional since day 1. Wish us luck in her next start, the Martha Washington Stakes at Gulfstream Park on June 11th!

Therearenorules with her dam, Honor Your Gift, March 2019

Honor A.P. – Precious Life
 Bay colt; Foaled: 5/11/22
 Breeder: Circle Bar H

Foaling Season Ends on a Perfect Note!

Catalina Cruiser – Seeking Paradise
 Bay colt; Foaled: 5/16/22
 Breeder: JRita Young Thoroughbreds

Allowance Company No Problem for Pluma

Now here's a filly who just keeps getting better with every start. Featured in last month's newsletter after breaking her maiden, Pluma (Awesome Patriot – And One for Me, by Dayjur) has done it once again with a second consecutive win at Turf Paradise on May 2nd. This time she broke alertly and snagged the early lead, keeping a good cushion between herself and the field the entire race. Pluma's easy 1 ¾ length score earned her by far the highest speed figure of her career, a sign that she is improving rapidly. Congrats to Barbara Ratcliff's Coal Creek Farm, who touts yet another victory with a homebred that was foaled and raised at Endeavor Farm. Great work once again by trainer Vann Belvoir and jockey Karlo Lopez. We can't wait to see what the team has in store for her in her next start!

Smooth Operator

Gonna Getcha

Good Month for Circle Bar H

Tim Harris' Circle Bar H enjoyed a very successful month of May at Will Rogers, finding their way to the Winner's Circle on multiple occasions. Two of those winners happened to be homebreds that resided at Endeavor Farm as foals by their dam's side while they were here to be bred to Kentucky stallions. First was Smooth Operator (Blake's Passion - Rachel's Commander, by Deputy Commander) on May 10th, followed by Gonna Getcha (Ordained - Lively Vision, by Pollard's Vision) on May 18th. Both of these horses are trained by Tim Martin. Way to go racking up all of these wins with your homebreds, Tim. We know you had a thrilling month of May, but just wait for June!
