Slugo Racing Closes Out a Very Successful Month of February

Congratulations are in order for farm client Slugo Racing, who just finished up a fantastic month of racing with trainer Mike Puype at Santa Anita! On February 16th, Tigre Di Slugo (pictured top-left) notched a victory in an allowance race in very impressive fashion. The California-bred son of Smiling Tiger is now two-for-three for Slugo Racing and co-owners Tiger Racing Stable and Mike Puype. This horse has shown loads of promise during his brief but brilliant racing career. Slugo also enjoyed a victory with Unbroken Star (pictured bottom-left) on February 23rd. She easily won a starter allowance race with a two-length margin of victory in her second start of the year. In addition to these two scores, Slugo also won a race back at the end of January with Boogalute. And to cap it all off, the stable welcomed a beautiful Munnings filly into the world on February 17th out of first-time mother Wishful Winking. That's one heck of a way to get the year started! Cheers to great beginnings in 2020.
