Homebred Our Cornerstone Runs Second in Stakes Race

Circle Bar H's homebred gelding Our Cornerstone (Optimizer – American Sound, by Awesome Again) put forth an impressive effort in the TRAO Classic Sprint Stakes at Will Rogers but came up just short with a game second place effort. This performance comes on the heels of a victory just two weeks prior. Our Cornerstone has run first or second in 11 of his last 12 starts!!! What an amazing streak. This is one fast horse!

Takes Three Dominates Maiden Race at Santa Anita

Improving form in consecutive previous starts put Takes Three in a perfect position to break his maiden, and that's exactly what he did at Santa Anita on March 24th. The Cal-bred son of Nyquist sat just off the pace until they hit the eighth pole, when he pounced on his rivals and drew clear for a decisive 1 ¼ length score. Congratulations to farm clients Slugo Racing and trainer Mike Puype on a fantastic win!
