J.R. & Rita Young Celebrate Rainbow Stakes Victory with Man in the Can

It doesn't get much better than taking down a stakes win with a homebred and that's exactly what J.R. & Rita Young have done with Man in the Can! On April 17th he won the Rainbow Stakes at Oaklawn Park in come-from-behind fashion. The Arkansas-bred colt by Can the Man sat well off the pace for much of the race, but easily passed all foes during his stretch run to get up for a half length score. This win gives Man in the Can two victories from three lifetime starts with total career earnings of almost \$80,000. Congrats to the Youngs and great job by trainer Ron Moquett and jockey Joel Rosario.

Cherished Wins Two in a Row for CJ Thoroughbreds

Longtime farm friends and clients Corey and CJ Johnsen have hit a nice little win streak with their four-year-old filly Cherished. The bay daughter of Congrats has had a very strong start to the year. In her first career start at Oaklawn back in January she ran a very good second, then followed that up with a third-place finish at Sam Houston in mid-March. In her next start she returned to Oaklawn where she won for fun by a 4 ¼ length margin as the even money favorite. Cherished remained at Oaklawn for her next race on April 19th which was an allowance where she went wire-to-wire for a second consecutive victory. The Steve Asmussen trainee seems to have really hit her stride and is improving with every race. She has now earned close to \$75,000 with well over half of her earnings coming in her four starts this year. We have really enjoyed following this filly as she continues her winning ways for CJ Thoroughbreds and are excited to see her keep going!
