Added Distance and Switch to Turf Just Right for Homebred Silver N Lai

Chalk up another win for the home team! Silver N Lai put forth a stellar performance on July 23rd at Indiana Grand to break his maiden with ease in his third start. After hitting the board in each of his first two starts in dirt sprints, trainer Tom

Amoss gave him an opportunity to stretch out in a two-turn mile on the lawn and the new conditions fit him like a glove. Sitting just behind the leader and pushing the pace for most of the race, Silver N Lai took command at the top of the stretch and was the first to reach the wire under mild urging for a two length margin of victory. The first foal from the Political Force mare Silver Hustler, Silver N Lai was bred by Endeavor Farm in partnership with Silver Hustler Partners. A great trip from jockey Miguel Mena resulted in a big payday for those with wagers on the gelding as he paid \$19.60 to win! We celebrate this one with co-owners Frank Aubrey, Neil Duncliffe, Steve O'Brien, and Frank Warnock, who campaign this horse in partnership with the farm. With one win already in the bag we can't wait to see where he takes us next!

Maiden Special Win Comes Easy for Lost in Limbo

John Kuehl's Willow Lane Stables picked up a big win on July 18th with homebred Lost in Limbo at Laurel Park. The Into Mischief gelding got bumped hard coming down the lane at the 1/8 pole but he didn't let that phase him, running off with a length-and-a-half victory. Lost in Limbo makes a perfect six winners from six starters for his dam, Secret Humor, with her total progeny earnings now totaling \$467,210. As were all of her offspring, Lost in Limbo was foaled and raised at Endeavor Farm. We couldn't be happier for John getting the first of hopefully many victories with this gelding, keep up the good work!

Archidust Picks Up Black Type in Turf Debut by Winning My Frenchman Stakes at Monmouth

Endeavor Farm foaled Archidust (Verrazano – Chilling Effect, by Gold Fever) keeps cruising right along as he continues his summertime dominance at Monmouth Park. After an allowance score on the dirt last time out, trainer Jorge Navarro decided to give Archidust a go on the grass and it resulted in a stakes victory. His blazing fast final time of 1:02.82 for the five-and-a-half furlong sprint was only 0.07 seconds off the track record! Congrats to Dr. Bart Barber's Wolverton Mountain Farm for breeding yet another stakes winner!

Royal Charlotte Adds Graded Stakes Victory to Flawless Resume

Watch out world, Royal Charlotte is on a tear and she just won't stop! From a debut victory to an allowance score followed by a listed stakes win, the immensely talented gray filly handled her step up into graded stakes company with ease. Off as the 3/2 favorite in the Gr. III Victory Ride Stakes at Belmont Park, there was never any doubt that Royal Charlotte would be taking this one home. With four wins at four different tracks, it looks like there's nothing this filly can't handle. All eyes will be on Saratoga for Whitney Day on August 3rd, as Royal Charlotte has been pointed toward the Gr. I Test Stakes where she will tie into Kentucky Oaks winner Serengeti Empress, among others. We can't wait to see how she stacks up against the sport's elite as she tests her abilities at the top class of racing. Best of luck to her and all of her connections! We will certainly be cheering her on.
