## Bout Time Gets Black Type Win in Stakes Debut at Monmouth Park

Some things just get better with age. Bout Time (Not This Time – Chilling Effect, by Gold Fever) is one of those things. After not starting as a juvenile and only making one start as a three-year-old, this filly has enjoyed a phenomenal four-year-old campaign this year. In four starts she is 3-1-0, most recently winning the \$100,000 Goldwood Stakes at Monmouth Park on June 25<sup>th</sup>. Off as the lukewarm 2/1 favorite, Bout Time broke sharply and settled a few lengths off the lead. A wide swing at the top of the lane gave her the space she needed to draw clear and cruise home to win by two lengths. Her final time of 1:01.01 was only 0.34 seconds off the track record for 5 ½ furlongs on the turf. Pilot Angel Rodriguez gave the filly a great ride in his first start on the horse. Patience has definitely paid off for trainer Cherie DeVaux, who has taken her time with Bout Time and given her the chance to blossom into

the rapidly improving older horse we see today. Bout Time was foaled at Endeavor Farm for Dr. Bart Barber's Wolverton Mountain Farm. Congratulations to all the connections and best of luck as we progress into the latter half of the racing season.

Hip #138

**Dialed In – My Heart Goes On**  
Chestnut colt; Foaled: 1/24/21  
Breeder: Coal Creek Farm

## Fasig-Tipton The July Sale

The 2022 sales season kicks off at Fasig-Tipton with The July Sale. Our consignment is small but strong! Come and see us in Barn 7 with Hip #138, a fast-looking colt by Dialed In who is the first foal for the young stakes winning mare My Heart Goes On. He is an impressive physical and a great way to get the yearling sale season started. We will begin showing on Saturday, July 9<sup>th</sup> and he will go through the ring on Tuesday, July 12<sup>th</sup>. Hope to see you all out there!

## Wayakin Crushes Allowance Company at Churchill Downs

The Churchill Downs dirt course was favorable to Wayakin (Into Mischief – Penrose, by Lemon Drop Kid) once again, a track he has seemed to take well to when he has had the chance to run there. This time he wired the field in a \$127,000 allowance race on June 19<sup>th</sup>. The Mike Maker trainee won by 4 ½ in easily the best race of his career. Wayakin was foaled, raised, sales prepped, and sold by Endeavor Farm when he brought \$285,000 at the 2019 Keeneland September Yearling Sale. It’s great to see yet another accomplished racehorse bred by Clyde Taylor’s Cypress Bend Farm.

## First Start at Finger Lakes an Easy Win for Laban M Mo

Endeavor Farm sales graduate Laban M Mo found himself in the winner’s circle for the second time in his career after an allowance score at Finger Lakes on June 13<sup>th</sup>. Making his first start at the track in upstate New York, the dark bay gelding by Laoban positioned himself well from the get go and pulled away late for a two-length margin of victory. Laban M Mo was bred in New York by JRita Young Thoroughbreds. He came to Endeavor as a foal by his dam’s side and resided here until selling at the 2020 Fasig-Tipton Kentucky Fall Yearling sale for \$40,000. Hats off to the connections!
