## Endeavor Farm Product Fetches \$285,000 at Keeneland Sale

The Endeavor Farm consignment at the Keeneland September sale featured a star yearling who set off some fireworks when he went through the ring, bringing a hammer price of \$285,000! The Into Mischief colt out of longtime resident broodmare Penrose was foaled, raised, sales prepped, and consigned by Endeavor Farm. The momentum of leading North American sire Into Mischief, as both a racehorse sire and as a sales sire, continues to escalate at a very fast pace. Congratulations to Cypress Bend Farm who bred this nice colt!

## Paddy's Secret Victorious in Horsemen Appreciation Overnight Stakes

Make that two straight wins on an off track at Emerald Downs for Paddy's Secret (Paddy O'Prado – Secret Humor, by Yes It's True), including most recently in the Horsemen Appreciation Overnight Stakes on September 22nd. She completed the mile race for older fillies and mares in a final time of 1:36.05. Paddy's Secret was foaled, raised, and sales prepped here at the farm. She was sold at the 2015 Keeneland September Yearling Sale for \$20,000. The gray mare has now amassed total lifetime earnings of over \$130,000. Her younger half-brother Lost In Limbo was featured in last month's newsletter after his allowance score at Colonial Downs.

## Homebred Silver N Lai Cruises Home for Easy Allowance Win

It has been an exciting last four months at Indiana Grand for homebred Silver N Lai. During that time span, the gray son of Liaison has seen the starting gate five times and has never finished out of the money! Silver N Lai was last seen going gate-to-wire for a super easy 4 ¼ length victory in an allowance race on September 27th. A hand ride was all that was needed to pull away from the field, stopping the clock at 1:41.87 for the mile and a sixteenth contest. A career record of two wins, two seconds, and a third bring the gelding's lifetime earnings to \$53,900. What a brilliant start to this young horse's racing career, we can't wait to see where he takes us next! Great job by all.
