Endeavor Farm Consignment Kicks Off at Fasig-Tipton July

Endeavor Farm is venturing off the farm and onto the sales grounds! As many of you already know, we have opened up a sales consignment and will be consigning our very first horse at the Fasig-Tipton July Sale of Selected Yearlings. Our one horse consignment consists of a striking bay colt by Summer Front. He has been in sales prep for quite some time now and it shows, as he has turned out to be a very sharp looking individual. This yearling was foaled and raised at Endeavor Farm and is the third foal out of longtime resident Anabranche (by Congaree). Anabranche's first two foals are full-siblings by Successful Appeal, a four-year-old filly named Isotope and a two-year-old colt named Roiland. Isotope has had four

wins from 14 starts and has earned over \$117,000. Roiland is currently in the hands of trainer Tom Amoss and will look to make his racing debut later this year. Both Isotope and Roiland were bred by Jim and Mary Durlacher, who currently own Roiland and who owned and originally raced Isotope before she was claimed earlier in her racing career. The Summer Front yearling was bred in partnership with Endeavor Farm and CJ Thoroughbreds. He has a late April birth date but looks very mature for being a later foal. We are extremely pleased with the way he has blossomed in response to his sales prepping and we are very proud to take him to auction as our first offering as a consignor. If you happen to be in town during early July we encourage you to stop by and take a look at him! He will remain at the farm until he ships in to Fasig-Tipton on Friday, July 6th, so please swing by the farm ahead of then to see him here or come on out to the sale where you can find him and the Endeavor crew in Barn 7, row C!

Dedicated to You Captures Long Awaited Black Type Victory

A huge congratulations to Barbara Ratcliff's Coal Creek Farm for picking up a very nice score in the Budweiser Stakes at Emerald Downs with homebred Dedicated to You! The dark bay Purim gelding earned the much-deserved black type win after finishing second, third, or fourth in five previous stakes races. Way to go! It is so nice to pick him up that elusive stakes win after knocking on the door several times. Dedicated to You is one of those horses that seems to always show up and put in a good effort on race day. He is a Washington-bred out of longtime Endeavor Farm resident One For You (by Dayjur). Dedicated to You has now hit the board in seven of his 15 career starts and has earned over \$117,000. Here's to a great win for a hard knocking horse!

Sandbagger Al Wins First Ask at Arlington Park

There's no better way to start a racing career than with a convincing win, and that's exactly what Sandbagger Al did in his debut June 2nd at Arlington Park! The bay colt by Run Away and Hide was much the best in the six-and-a-half-furlong open company maiden special weight contest. Sandbagger Al was bumped coming out of the gate but then settled just off the pace where he stalked from the rail. He pushed his way to the front at the quarter pole and ran off, winning by a length. Out of longtime farm resident Mydesireisthewire (by Runaway Groom), Sandbagger Al was foaled and raised at Endeavor Farm and was bred by his owner, Paul Kessel. Purse money and Breeders' Awards at the same time! Truly the best of both worlds. This seems to be a very talented young colt and we are pleased for Paul and wish him the best of luck moving forward with him.
