Breaking maiden at Keeneland

After finding only limited success as a racehorse and later on as an eventer, Sh Sh Shakin' briefly resided at Endeavor Farm before owner/breeder/ trainer and farm partner Mark Tsagalakis decided to donate her to the University of Kentucky's broodmare herd at Maine Chance Farm. Their program works 100% on donated broodmares and stallion seasons, and it gives the student workers an opportunity to get hands on experience raising Thoroughbreds all the way from conception to taking them to auction as yearlings at Fasig-Tipton. Sh Sh Shakin' has been a remarkable broodmare so far for UK, with her most recent success being Averly Jane, a Midshipman filly that was sold last fall for \$35,000. During a two-week period in April, the Wesley Ward trainee broke her maiden at Keeneland and then went on to win the Kentucky Juvenile Stakes at Churchill Downs. Sh Sh Shakin's first foal, Chattel (by Giant Oak), is also a black type winner, having won the 2018 running of the Skidmore Stakes at Saratoga. We are excited to have played a small role in the success of UK's breeding program!
