Endeavor Farm foaled and raised Fast Munny takes down Zenyatta's son to win debut

Fast Munny (Munnings – Killoe, by Kris S.) got his race career started in grand fashion by winning first ask in a \$56,000 maiden special weight race at Santa Anita on February 20th. He happened to be entered against racing royalty, a Tapit colt named Ziconic who is out of the legendary champion race mare Zenyatta. However, Fast Munny was not intimidated nor impressed in any way by the regal bloodlines he was up against. Stalking the pace from the inside after

breaking fourth, Fast Munny moved up between horses in the middle of the lane and never looked back, drawing off to score a 1 ¼ length victory in 1:23.74. A job well done by trainer Craig Dollase, jockey Flavien Prat, and owners Bloom Racing Stable and Highlander Racing Stable. The chestnut colt was consigned by Vinery Sales as a Keeneland September yearling for \$32,000 and was sold again as a 2-year-old in training at Barretts March by Crane Thoroughbreds for \$95,000. We here at Endeavor Farm would like to extend a huge congratulations to the breeder of Fast Munny, Tim Harris' Big Sugar Racing, LLC. We couldn't be more thrilled for Tim and we wish the connections of this horse all the best. Can't wait to see how this horse does next time out going around two turns. Keep it up!

Congratulations to his owner and breeder, Millard Seldin, and best of luck with this horse in the future.
