## Highestdistinction Keeps on Dazzling, Wins Grade 3 Going Away at Pimlico

Highestdistinction (Point of Entry - Honor Your Gift, by Sightseeing) is absolutely crushing his six-year-old campaign, and he's showing no signs of letting up anytime soon! The bay gelding most recently rode his winning streak into the Grade 3 Baltimore/Washington International Turf Cup at Pimlico on September 16<sup>th</sup>. Off as the third choice at odds of 3/1,

Highestdistinction broke cleanly but not too hurriedly, letting his opponents set the pace. As the race unfolded, he slowly picked off his foes one by one until he established a clear lead at the top of the lane and never relinquished. He coasted home while separating himself from the field with every stride, stopping the clock at 1:36.63 in the mile turf contest. The 3 ¾ length score brings his total career earnings to over \$333,000, of which over \$225,000 has been accumulated this year alone. Highestdistinction earned a very impressive Equibase Speed Figure of 112 for this stellar effort! Another big congratulations to his owner/breeder, John Kuehl's Willow Lane Stable. Great ride by Jairo Rendon. And major props to his trainer, Lindsay Schultz. What a fun ride it has been this year!

## In Memoriam: Tigre Di Slugo (2015-2023)

We announce with a heavy heart the passing of a great horse, Tigre Di Slugo. Although his stay with us was brief, he quickly became a farm favorite due to his gentle demeanor and great manners. He came to us as a racetrack retiree after an accomplished career in which he earned nearly \$300k. We relish in the opportunity to offer a permanent home for retired racehorses and we are grateful for Slugo Racing giving us and him that opportunity. Tigre Di Slugo was sadly laid to rest on September 30<sup>th</sup> due to complications from colic.
