## Lucky Break Victorious in Maiden Special Race

Arkansas-bred Lucky Break (Itsmyluckyday – Taralicious, by Street Boss) broke his maiden in going away fashion at Oaklawn Park on May 1<sup>st</sup>. The chestnut gelding sat in second place for most of the race until he drew off in the stretch for a decisive 3 ¼ length victory in the \$93,000 maiden special weight race. His dam, Taralicious, is a seasonal resident of the farm and was at Endeavor when Lucky Break was conceived. She is currently at the farm with a Double Irish filly by her side and is in foal to Cloud Computing. Congratulations to JR and Rita Young for breeding yet another Arkansas-bred winner! Also, great job by the team including trainer William Martin and jockey Eusebio Rufino.

## Calibogue Sound Wins on Debut at Belmont Park

There's always an extra level of excitement when a horse breaks their maiden first time out, and that's exactly what New York-bred Calibogue Sound did for owner/breeder Bob Hahn. The bay daughter of Speightster made it look easy, making short work of her competition in the maiden race at Belmont on May 16<sup>th</sup>. Jockey Luis Saez swung her out three-wide at the top of the stretch to find room to edge clear for a 4 ¾ length margin of victory. Blush Now (by Tiznow), the dam of Calibogue Sound, has been a seasonal resident at Endeavor over the years. Congrats to Mr. Hahn on the homebred and fantastic work by trainer Jeremiah Englehart on the big win.
