Keeneland September Sale Fillies

September is here already! That means that the biggest yearling sale of the year is just around the corner. After previewing the colts in the last newsletter, take a look here at the fillies we are prepping for Keeneland September. If you happen to be in town during the sale stop by and see us!

She's Trouble Makes This Racing Deal Look Easy

Hats off to the connections of She's Trouble (Into Mischief – Roses Plus, by Value Plus) for having an outstanding Saratoga meet with this filly. On August 3rd she broke her maiden by five lengths in a maiden special weight race, then came back on August 24th to run a solid third in the \$200,000 Seeking the Ante stakes, picking up some black type in the process. She's Trouble was bred in New York by Clyde Taylor and resided at Endeavor as a foal. She was sold at the Saratoga Fall Mixed Sale as a weanling for \$125,000 to her trainer, Linda Rice. Way to go team!

Feedback Labeled TDN Rising Star after Impressive Maiden Victory at Saratoga

There's a new star in town and she was foaled at Endeavor Farm! Feedback (Violence – Honest Answer, by Tale of the Cat) absolutely destroyed her competition during her debut in a maiden special weight race at Saratoga on August 12th. She covered the 6 ½ furlong distance in a blazing fast time of 1:16.33, barely being asked by jockey Irad Ortiz, Jr. while leaving the rest of the field behind by eight lengths. Her time for the race was faster than what the boys ran later that day in the G2 Saratoga Special! Trainer Chad Brown will more than likely point Feedback toward the G1 Frizette at Belmont for her next start, a Breeders' Cup "Win and You're In" race. Congratulations to Dr. Bart Barber's Wolverton Mountain Farm and Cameron Wheeler for breeding this young star!
