## YEAR END RESULTS FOR GREELEY'S CONQUEST

Greeley's Conquest finished the year ranked #38 on the 2015 Second-Crop Sires list! Since this list is based on total progeny earnings, it makes it that much more impressive due to his relatively small crop sizes. He sired 12 winners from only 21 starters on the year, that's better than a 50% clip! Here's to another great year in 2016.
