Trinity Rips Off Second Straight Win at Laurel Park

Endeavor Farm-bred Trinity (Happy Saver - More for Me, by More Than Ready) had so much fun breaking her maiden at Laurel Park that she decided to return to the Maryland track for a contest against first-level allowance company. The two-year-old filly took a liking to the course once again, sitting off the pace until getting the signal from jockey Jose Vargas at the 3/8 pole where she responded with a devastating kick, leaving her nearest opponent 5 ¾ lengths behind by the time she reached the wire. Trinity is wrapping up her juvenile campaign with some impressive performances that have us jonesing to see what comes next!
