Homebred Kitty Hawk Lass Impresses in Maiden Victory at Santa Anita

Chalk up another win for the Endeavor Farm home team! Homebred Kittyhawk Lass put forth a very game effort to break her maiden for the Endeavor Farm silks on May 24th at Santa Anita. The bay three-year-old filly by Power Broker broke well from post 5 in the mile and an eighth contest on the turf. She took an early three length lead which she maintained until the field reached the top of the stretch. Her rival approached from the outside to get within a head of Kittyhawk Lass, which is when she dug down deep to turn on the afterburners and pull away once again while coming down the lane. By the time they reached the wire she had established a half-length lead to secure the victory. Kittyhawk Lass earned \$25,200 for the win in a final time of 1:49.63. She is the last foal out of foundation mare American Flier (by Quiet American) who comes from a beautiful maternal family that just continues to improve with age. This is an extra special win for the farm as Kittyhawk Lass' older half-sister, Arch of Troy, was the first runner and winner to carry our colors. A big thanks to trainer Mike Puype who had this filly in peak condition after coming off of a narrow second place defeat in her previous start. Also, a very well-timed ride from jockey Alonso Quinonez. It's pretty apparent this filly likes to go long on the turf and we look forward to the next time she goes out to try it again!

Royal Charlotte Now a Stakes Winner After 3rd Flawless Start at Monmouth Park

Photo: Bill Denver/EQUI-PHOTO

Three wins in as many starts! Can't do any better than that, and Royal Charlotte doesn't look like she plans on stopping this win streak anytime soon. After breaking her maiden at Gulfstream first ask, then winning an allowance at Keeneland, the gray daughter of Cairo Prince smoked the field in the \$75,000 Hystericalady Stakes at Monmouth Park on Memorial Day. The 2 ½ length score was good for \$45,000 for her owners, First Row Partners, bringing her total career earnings to \$119,400. Congratulations to breeder Rhineshire Farm and thanks for allowing us to sales prep her as a yearling, she is looking great!

Silver N Lai Runs 3rd on Debut at Indiana Grand

The Endeavor Farm racing stable is off to a great start with homebreds this year! Silver N Lai, who was bred by the farm in partnership with Silver Hustler Partners, made the first start of his career on May 29th. After a slow break, Silver N Lai ran most of the race toward the back of the pack but found another gear coming down the stretch, passing several horses to get up for a solid third, just a neck away from the place spot. It was a very promising debut

for the gray gelding by Liaison. All owners were in attendance to see the race and cheer him on, including Endeavor Farm, Frank Aubrey, Steve O'Brien, Neil Duncliffe, and Frank Warnock. There was even a special guest appearance by Indiana residents Jim & Mary Durlacher! Much appreciation for trainer Tom Amoss and jockey Deshawn Parker for getting Silver N Lai a good education in his first trip to the racetrack. He should be much improved when he makes his next start, we will be watching!
