Two-Year-Old out of So Beautiful Sells for \$180,000

The OBS April Spring Sale of Two Year Olds just wrapped up with very strong numbers, seeing significant increases in average and median with 66 horses selling for \$250,000 or more. One of the horses that sold well was a Northern Afleet colt out of So Beautiful, a former resident and product of the farm. So Beautiful is an unraced Arch mare out of longtime Endeavor Farm resident and current retiree My Vincero. She was bred by farm partner Mark Tsagalakis' MT Racing and was donated to the University of Kentucky's Maine Chance Farm, who bred this colt and sold him as a yearling for \$75,000 at Fasig-Tipton July last year. So Beautiful is already the dam of a multiple stakes winner in McKenzie Honey, a daughter of Parading who has earned well over \$130,000 and just won an allowance race last week! Congratulations to the students and staff at Maine Chance farm for breeding and raising this very nice colt!
