Feedback on the Oaks Trail with a Win in the Gr. 3 Forward Gal

Photo: Coglianese Photo/Leslie Martin

Hooray for Feedback (Violence – Honest Answer, by Tale of the Cat)! After breaking her maiden very impressively at Saratoga last August, the Endeavor Farm foaled filly made her long-awaited three-year-old debut in the Grade 3 Forward Gal Stakes on February 2nd at Gulfstream Park. Despite the six-month layoff, Feedback went off as the heavy favorite at 2/5 and did not disappoint. Her half-length victory was good for 10 Kentucky Oaks points! A great job by her top tier connections of trainer Chad Brown, jockey Irad Ortiz, Jr., and owner Klaravich Stables. And a huge congratulations to her breeders, Dr. Bart Barber’s Wolverton Mountain Farm, and his father-in-law, Cameron Wheeler.

Roiland Picks Up Derby Points by Hitting the Board in the Risen Star

The excitement continues for the young and talented Roiland! The bay colt by Successful Appeal put forth a game effort in the Grade 2 Risen Star Stakes at Fair Grounds on February 16th. After a less than ideal break from the gate, Roiland settled on the rail at the very back of the back, where he remained even until the top of the stretch when he came flying home to pass a majority of the field and get up for a well earned third place finish. Not only was that good for \$40,000, but Roiland also earned 10 points on the Road to the Kentucky Derby! We are so thrilled to see a horse that was foaled and raised here enjoy this level of success, but we are even more happy for the horse’s owners and breeders, Jim and Mary Durlacher, who deserve this as much as anybody. We will all be cheering on Roiland in his next start as he presses on toward the first Saturday in May!
